Re: Current Maryland Water Quality Certificate Chemtech Consulting Group, Inc. MD Lab ID: 296

Dear Mr. Hedvat,

Enclosed please find the Lab's Certificate of reciprocity for drinking water laboratory certification in the State of Maryland. Also enclosed, the Parameter List outlines each method the lab is certified to analyze for compliance purposes under the Safe Drinking Water Act (SDWA). The reciprocity is valid for a period of one (1) year. The certificate and fees are renewable annually.

If the Lab has any changes in methods, supervisory personnel, major equipment, ownership, location, or its home state certification status during the year, the Lab is required to advise our program within 30 days.

If you have any questions, please do not hesitate to call me at 410-537-3712.

Sincerely,
